

## Bioreactor Facilities

Bernal Bio Labs

UNIVERSITY OF  
**LIMERICK**  
OLLSCOIL LUIMNIGH

Bernal  
Institute

### Microbial Cell Culture

- Industry standard Applikon Bioreactor suite composed of;
  - 2.5 L Bioreactor
  - 5 L Bioreactor
- 25 L New Brunswick (Eppendorf) jacketed bioreactor for large scale microbial production.
- Class II microbial lab for cultivation and maintenance of pathogenic bacteria.
- Eppendorf 8 fold DasBox bioreactor for DOE.
- Expertise in antimicrobial peptide production and purification.
